# Continental Royal

Continental Royal bed impresses with its improved structure of 3-layer high-quality pocket springs. The luxurious upper mattress consists of 5-zone pocket spring system, which has an additional layer of mini pocket springs supporting the pressure optimization. In order to improve even more the pressure balancing effect of the bed an extra layer of high-quality natural latex has been added to the upper mattress. The bottom mattress is also divided into different zones. This special bottom 3-zone structure is a feature of Bellus which ensures an individual adaptation of the mattress to your body and positions.
